## All About Mom Book

### About:

Thank you so much for downloading this product! We hope it will be a great resource for you and that you will love it as much as we do! Please don't hesitate to contact us if you have any questions or concerns. We're here to help in any way we can.

### Prep:

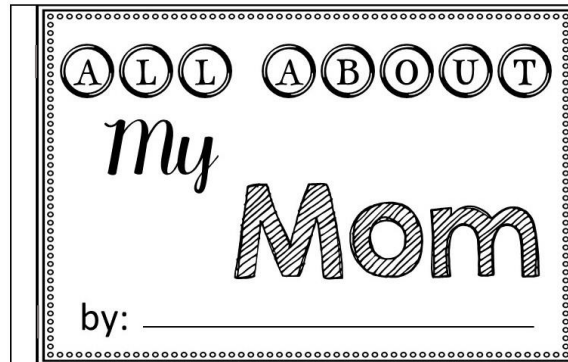

**Step 1:** Print all pages 3-7 in black and white. Page 4 has two different options for the cover page so you can pick your favorite. Or you could use both and have one be the cover and the other be the last page of the book.

**Step 2:** Gather crayons, colored pencils or markers, scissors and a stapler.

### Directions:

**Step 1:** Cut the pages in half and then cut out each half page by following along the outer line. There is a blank spot on the left side of each page for the pages to be stacked and stapled there.

Stack the pages together and staple in the outer left area as shown here.

Cut the pages out around the outer black line as shown in this picture.

**Step 2:** Color and fill out each page. Some pages will need a picture or a drawing of your mom, you and your mom or your family. Others will need a list of things, such as her favorite things, why she's a superhero, your favorite vacation, etc.

**Step 3:** Once your book is complete, staple it together for a wonderful Mother's Day Gift! If there's any other pages you'd like us to add, please let us know!

### Alternatives:

- MUM – pages 8-12
- AUNT – pages 13-17
- GRANDMA – 18-22
- SISTER – 23-27
- BLANK – 28-32 (fill in the person's name or relation)
